NEW BRANCH IN DOWNTOWN TUSCALOOSA

THOMASVILLE, AL – First US Bank has recently opened a new branch office in downtown Tuscaloosa at 2619 University Boulevard near Capitol Park. The two-story office is home to the bank’s 20th office statewide and the second location for the Tuscaloosa market.

Located just over a mile from Bryant-Denny Stadium, the facility is full-service branch with an ATM and two drive-thru lanes. Its second floor will house the commercial lending staff to serve the business community. “We are pleased to add an office in downtown Tuscaloosa as our 20th location,” President & CEO James F. House said.

“Our commercial team, previously conducting business from the Taylorville office, will make the University Boulevard location their new home. We are committed to exceeding the expectations of our customers and believe our new office will significantly increase our level of service to both our consumer and commercial customers,” House said.

Stephanie Stephens serves as the branch manager of the new location. Branch staff will provide retail and commercial deposit services, as well as meet small business and consumer lending needs. “I have looked forward to opening our new branch downtown,” Stephens said. “Our team is eager to help meet the banking needs of our community and we want to continue building long-term relationships.”

The commercial lending team includes Executive Vice President Commercial Division/Senior Lender Phil Maughan, Senior Vice President/Commercial Lending Officer Sam Parks, Jenny Howton and Lynette Clark, both loan assistants. “We are all excited about our new location in downtown Tuscaloosa,” Maughan said. “This has been a goal of ours for several years and it’s now a reality. Sam and I have been commercial bankers in the Tuscaloosa community for more than twenty years and we look forward to the opportunity to expand our customer base with the addition of our new office.”

First US Bank has been serving the Tuscaloosa area at its Taylorville location since 2005. Located at 8710 Hwy 69 South, it is a full-service branch with an ATM and drive-thru.
